

Service Charges

Updated February 23, 2022

Important Notes:

- Service charges and availability are subject to change.
- Missing an appointment or making a cancellation less than 24 hours prior to a scheduled appointment will result in a charge of up to \$50, based on your appointment type and length.
- What you pay out-of-pocket is dependent on your health insurance plan benefits.

Services with no additional charges:

- Up to five (5) individual/couples/nutrition counseling sessions per semester
- Group counseling services
- Counseling crisis intervention services
- Tobacco cessation and spiritual care programs
- Health education and prevention programs

• **Note: No-show/late cancellation charges may still apply.**

Please refer to the following tables to see general charges for services within each area. Departments are listed in alphabetical order.
