- **What does the billing look like with RamCare Grant? When we come in for services, do we say we have RamCare Grant, or will it be automatically applied to my visit?**
 - The cost of the program is covered by a grant awarded through CSU’s Office of Financial Aid. Each semester you are enrolled, you will see the cost of the program charged to your student account (\$125), and within a few days a corresponding credit will be applied by Financial Aid as a grant to pay for the program.
